

Here's how it works:

Take a look at your options:

- Do you have furniture to store? Mark each piece with your name and home address before storing.
- Consider a 'Storage Cube' to simplify your moving and storage! All of your stuff can probably be stored in this one sturdy wooden box, and you can lock it too!
- Medium cardboard boxes are available at the school bookstore if that's all you need.
- Check the "Rules for Storage" to make sure your storage items are allowed...
- Mark all storage items with your name and home address before bringing them to us.

Write up your order on the order form:

- List how many of each item you will be storing and add up the totals. (If you have questions about items not on the list, you can estimate by choosing another item on the list that is similar in size.)
- Bring your order form and payment with you to "Packing Day"

"Packing Day" happens two weeks before the last day of school, actual dates and locations will be posted in the mail room well in advance. Representatives from Middletown Self Storage will be set up at the Art Center to answer questions and take orders and will also have plenty of information about private storage, and other packing supplies which are available at our Aquidneck Avenue location. U-Haul truck rental reservations can be made at that time through our on-site representatives.

Don't forget: you can get your own private storage unit instead!
